THIS YEARBOOK is dedicated to the memory of  
our friend . . . .

**ELEANOR BRIAN**

Eleanor was an honorary member of the Petaluma Women's Bowling Association. A pal and a friend, cheerful and competitive.

As we start this new bowling season without her, our thoughts are of her.

May she rest in peace and perpetual light shine upon her.

Other bowling friends have departed. And loved ones of our bowling friends. May they also rest in peace and perpetual light shine upon them.

## **PRESIDENT'S MESSAGE**

As the Petaluma Women's Bowling Association prepares for the 1973 - 1974 season, I would like to ask your support of the following events: The Annual City Tournament, Bowlers Victory Legion, Tournament of Champions, Annual Awards Banquet and our two Association Meetings.

I know our outstanding BVL program will set another record season under the able Chairman and her committee. Last year the women in Claifornia raised over \$118,000.00 for our hospitalized veterans. A big thank you to the men for their great support of this event.

P.W.B.A. membership is at it's all time high! Truly, we can attribute this fantastic continued growth pattern to out joint efforts with all members and the Boulevard Bowl and their staff.

As President of the P.W.B.A., I sincerely add my support to the A.J.B.C.'s. The youth are just waiting for guidance and counselling. We need to reach out to more adults (both female and male) and inspire them to assist. Are you willing to invest some of your time in youth - YOUR FUTURE MEMBERS - YOUR FUTURE LEADERS? A.J.B.C.'s theme is very appropriate REACH OUT FOR YOUTH!

We are living in a fast paced modern world today - a world where bowling is becoming more popular - and a world where challenge and change, to project into the future, to anticipate and to adjust. We cannot allow ourselves to engage in personalities which tear down or to become careless or apathetic. We must continue to work with patience and dedication even more than in the past; to enthuse and inspire others to become motivated and involved in association work so we will always have new leaders coming up the ladder.

We have many things "going for us". Let us take full advantage of the opportunities that present themselves to us.

I would like to express my appreciation to the Board of Directors and members for their support.

PATRICIA L. TALAMANTES, PRESIDENT

DEAR SECRETARIES:

It has been a pleasure working with all of you this past year. Thank you for making my job a little easier, and also doing great jobs as Secretaries of your leagues. I am sure your members must realize the time and effort you put into your job. We all know it takes a lot of patience and time to do the job well.

Now we are facing another season, and some of you will be taking on the job of secretary again. So let us see if we can make this a better year than we had before.

I would like to see more teams entered into our City Tournament, maybe with your help, we can get the girls in your league to decide to bowl in it this year. It really is fun, and you don't have to be a high bowler to enter. Please try to encourage the bowlers.

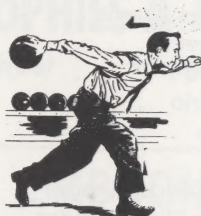

Just remember as secretary it is your responsibility to see that all members in your league have WIBC cards. These should be applied for on the first day of bowling in league.

A few suggestions I have for you are:

1. Membership cards should be filled out and returned to you with \$2.50 per card.
2. Members should receive a copy of the league rules.
3. Always have a current standing sheet posted.
4. If you ever have any questions that you need answered, please call me or your director.

Happy bowling to you and I hope your time as secretary will be a happy experience for you.

DOT LIPARINI, Secretary PWBA-762-4058

## LEAGUE SECRETARIES — HAVE SETS OF RULES PRINTED FOR YOUR MEMBERS

The management of the Boulevard Bowl will co-operate with you. Just type a set of rules and leave them at the desk, with the amount desired. Three days time needed.

## 1972-1973 Winter Season Averages

Averages of all men who have bowled 21 games or more in the 1972-1973 winter season, as reported by league secretaries.

An \* after the man's name indicates that he has an average in more than one league. Therefore, if you need his highest average, you must check all his averages.
